Projects Pursuant to the Northern Maine

PROCEDURAL ORDER
GRANTING REQUEST FOR
EXTENSION

On November 15, 2023, Central Maine Power Company (CMP) and Versant Power (Versant) filed a joint request to extend to December 1st the existing November 27th deadline for comments on the submission of LS Power, as set in the Procedural Order on Transmission Service Agreement issued on October 30, 2023. As grounds for their request, CMP and Versant point to: (1) the observance of Veteran's Day; (2) the size of LS Power's submission; and (3) the upcoming Thanksgiving holiday.

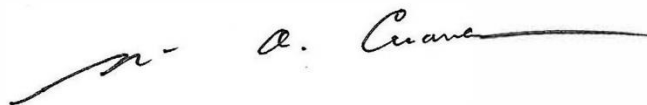

Finding that good cause exists to extend the deadline for comments on the submission of LS Power, the joint request of CMP and Versant is hereby granted. Comments on LS Power's submission are now due on or before **December 1, 2023**.
